 *****STOP PRESS*****

Welcome to the Christmas edition of our newsletter. We're all looking forward to getting into the finer details of the festival organisation in 2015.

The EVRA2015 Experience

It's not just about the rugby...an important part of the EVRA experience is the social side of the festival and we have a fabulous weekend lined up for players and supporters alike:

- A marquee for the welcome drinks, gala dinner and prize giving:

- A giant screen to watch the RWC games. We're expecting a fantastic atmosphere with close on 1000 people in the marquee, so it should be quite something!
- A British wine and beer festival will take place throughout the weekend, with some award winning drinks for you to sample.

And There's Local Entertainment

Britain is rightly famous for its traditional pubs, and Farnham is located in what used to be a famous and extensive hop growing area (there are many old

properties with the traditional hop drying buildings). We thought you might appreciate the opportunity to sample some ales and lagers in a traditional British pub or two. So, we've teamed up with some of the local ones to allow you on your day off to do a circuit of local pubs, some in Farnham, some in the countryside. We're hoping to provide a 'hop on, hop off' round bus service which will enable you to visit these pubs at your leisure during the day.

Farnham

And while you're out and about, you may want to visit Farnham itself. There are loads of restaurants (details will appear on the website in due course) catering to many different tastes, or if you prefer something low key, there are also various coffee houses and chains.

Escargots Team News

The Escargots' winning streak finally came to an end in November, losing 20-19 to Guildford.

Financials

The balances for the festival will start becoming due in the New Year: full details are on the website, giving the various options available to pay:
